Mr. Weisberg:-

Assume, of course, that you have seen the article by Marshall Houts on Mr. Milton Helpern in the July issue of ARGOSY; but have you seen the "Nix Film Analysis" by the Itek Corporation which is certainly elaborate and 55 pages with pictures?

It is assumed you received my check but I have not received the 'reprint'.

If you'd care to see the "Nix" study I suppose I could sent it to you if assured that it would be returned promptly.

Perhaps you will be kind enough to underline the answers to my idiotic questions even tho such a question does not deserve

It may interest you to know that, in the same mail with your letter of the 2nd., I received a letter dated 2 August 1967 from CBS News informing me that one of the 'experts' firing in the TV broadcast of 25 June 1967 was LEFT-HANDED and "did well also".
